September 2017

To Genoa Kingston Parents;

For the 2017-2018 school year, Genoa Kingston School District 424 has entered into a partnership with Safe Passage of DeKalb County in order to present our mandatory Erin's Law Curriculum to all of our students.

Much like years past, these lessons will be developmentally appropriate for all student ages. At the Elementary level, we will focus on safe and unsafe touches, good secrets and bad secrets and getting help. At the High school and Middle school levels, we will also discuss at the developmentally appropriate levels; sexual abuse and sexual assault, as well as teen dating and teen violence. If you would like more detailed information about the presentations, please contact your child's principal.

As always, we appreciate your support and partnership on these very important topics. Our goal, in the spirit of Erin's Law itself, is that through education, we may be able to prevent some of this abuse from taking place.

Sincerely,

Karen Simmons
