

TAKE CONTROL OF YOUR HEALTH CARE

GuidanceResources®

Have questions about your health insurance? Need help with billing issues? Anxious about a recent diagnosis? Your ComPsych® HealthChampion® program has answers. Our expert advocates and registered nurses are available to help you:

- Understand your medical benefits coverage
- Provide step-by-step guidance on claims and billing issues
- Offer information about your medical diagnosis and treatment choices
- Give you practical resources and support for dealing with your health care concerns

Call us anytime, 24/7, to schedule an appointment to speak with a HealthChampion specialist.

We have the expertise.
