

Google - ME FREE

Do you want to learn about the programs that District 424 students are using? Would you like to be able to communicate using the computer with friends and relatives?

Genoa-Kingston District 424 is offering you **FREE CLASSES** in Google Programs and other software.

These FREE CLASSES are for beginners. Bring your own computer or learn on our Chromebook, the computer used by students in grades 6-12.

Classes are Wednesdays from 6:30 to 7:00 pm in the GK High School Library

FALL WEDNESDAY Dates and Topics:

October 19th – Overview of Google Programs

October 26th – Facing Facebook – Learn how to create your own Facebook account.

November 9th – G-Mail – Learn how to open up an account, receive, and mail others.

November 16th – Google Hangouts – Talk with your friends on the internet using video conferencing for free!

November 30th – Google Play Store – Learn how to download new Apps or programs to your phone or computer. Use your device to help you remember ideas or a list, have fun, or just enjoy your time on your machine more.
