

Google - ME FREE 2

Do you want to learn about the programs that District 424 students are using? Would you like to be able to communicate using the computer with friends and relatives?

Genoa-Kingston District 424 is offering you **FREE CLASSES** in Google Programs and other software.

These FREE CLASSES are for beginners. Bring your own computer or learn on our Chromebook, the computer used by students in grades 6-12.

Classes are Wednesdays from 6:30 to 7:00 pm in the GK High School Library

WEDNESDAY Dates and Topics:

January 25th – Google Overview – This session will provide you with an overview of the Google Programs.

February 1th – Google Keep – You will discover the advantages of lists and more using Google Keep.

February 8th – Google Slides – This program is similar to Power Point by Microsoft. See the differences and potential of this presentation software.

February 15th – Finances on the Web – Learn how to use Google Finance, Yahoo Finance and other programs for your finance.

February 22nd - Google Hangouts – Talk with your friends on the internet using video conferencing for free!
